

## HUMURA VULNERABLE CHILDREN /YOUTH SUPPORT ORGANIZATION (HUVUCSO)

- The organization has been able to fight violence against children and women and promoting their rights.
- HUVUCSO, has achieved in strengthening food security and nutritional skills in both children and adults.
- Sensitizing the community into modern appropriate technology the farmers have found it very productive.
- HUVUCSO, has increased income generating activities and house hold income of members in our operational communities, such as pig-gery projects, especially to OVCs families whose parents died of HIV/AIDS.
- HUVUCSO, has been able to fight HIV/AIDS, though the struggle continues. But through radio programmes, drama and radio talk shows creating awareness and sensitization, they have reduced the infection in our working communities.
- Promoting, proper hygiene and sanitation is seen to have been achieved in the communities.
- The youth have been engaged in income generating activities , such as farming projects, compared to the last years, where the youth had nothing to occupy them in their communities.
