

BACKGROUND

Humura Vulnerable Children / Youth Support Organization (HUVUCSO) is a community based Organization , non profit , non partisan, non Sectarian organization. It was found in 2011 by Mr. Isaac Mugisa Kasekya with an intention of fighting **HIV/AIDS** and assisting **orphans** and **vulnerable children** whose parents died of **HIV/AIDS**. These children are helped in the areas of scholastic materials, school fees, counseling and guidance and promoting both women and children **rights** .

(HUVUSCO) , operates in two districts of Western Uganda namely; Kabarole and Kyenjojo Districts.

OUR VISION

“To have an educated, healthier and HIV/AIDS free generation community”

OUR MISSION

“To keep on supporting the needy community in their education and supporting their house hold income generating activities”.

OUR GOAL

To support and promote the social and economically progress of the rural poor community and to enhance their future sustainability through self help

“We care for vulnerable children”

ORGANIZATION OBJECTIVES

- To establish and strengthen the child support and development outreach programs by rendering support to vulnerable children in school fees, scholastic materials, clothing, primary health care and nutritional needs.
- To fight HIV/AIDS in communities, through creating awareness and sensitizations, drama and radio talk shows .
- To promote commercial agricultural production and sustainable environmental conservation.
- To promote and initiate income generating activities in order to become self reliant in their future.
- To initiate rural credit revolving fund to enable beneficiaries access credit for rural sustainable development activities.

“We care for vulnerable children”

ACHIEVEMENTS

- To promote and protect the children’s rights and responsibilities.
- To promote and protect the women rights through fighting domestic violence they face at home and increasing their accessibility to information.

- The organization has been able to bring back hope in the families of children whose parents died of HIV/AIDS (OVCs) through paying school fees, clothing's and other home based care needs to them etc.
- The organization has been able to conserve the environment through collaborating with other NGOs in the district such as Joint Effort to Save the Environment (JESE) and National Forestry Authority (NFA) Fort Portal.
